

volunteers spent a morning working to remove invasive species, especially English Volunteer Work Day at Garland & Lakeview Ave. Parcels (March 29). 20

Volunteer Work Day with WMOUMIT students at Two Fonds Conservation Area (April 12). On a gorgons, warm day this group of graduars students worked hard to remove invest species at various locations around this new conservation area. Thanks to Hamilton Tree & Landsque for chipping and hauling away the debris!

Graduate students in the WHOI/MIT Joint Program pulled invasive plants during a spring work day at Two Ponds Conservation Area.

Spring 2014 Moraine Trail Hike w/ AMC (April 19). This biking adventure, led by John Gould, was the reward for all the manual laker that keeps the trails open 150 hikers enjoyed the 93-mik trek south from Route 151 to Goodwill Park.

Race for Open Speece. Failnearth Road Race 7(14): The 900 Committee is gaving up to purcter quint this summer with the Failnearth Race Role Role in the Number for Nonprofile program. The ence will lake place on Stonday, Magast 77, and we are highing to assemble a serong atom to min support of our hand innue. If you or down land innue. If you or

This is how it works: Runners spin up with TSC for a guaranced number (to worris about the lottery!) and agree to cuise a minimum of \$750. In past years, these dollars have been matched by generous friends and members. Jast year's Road Race proceeds run the 7.1-mile scenic course from Woods Hole to Falmouth Heights and is interested in rusing morey to help protect natural places in Falmouth, please let us know.

Visit <u>www.300committee.org</u> and scroll down the home page to find the Road Race blurb. Links to the registration and pledge forms are provided. T3C THANKS ...
